

HARVARD COLLEGE
Gender Neutral Housing Agreement

We [FIRST AND LAST NAMES OF SUITEMATES] agree to live together in a gender neutral student suite in Dunster Housing for the 2017-18 academic year.

We understand that the bathroom(s) and bedroom(s) may not be equipped with door locks. We also understand that if one of us takes a leave of absence, chooses to study abroad, or is required to withdraw, the House has the right to reassign one or all of the remaining roommates separately into other suites, and also has the right to place a student of any gender in the vacant space.

This agreement has been discussed and approved by the Dunster House Administrator. We accept the terms of this agreement, as indicated by our signatures, below:
